Questions?

Cloud Computing Update

Oded Galili and Katie Engler

CJIS Security Policy

- Compliance required
- Information security
- Personnel screening

BCA Process

- Application
- Vetting for information security
- Contract
- Personnel screening

Current status

- No cloud provider is currently in compliance in Minnesota
- Several are in communication with BCA about achieving compliance

Questions?

Centralized Vendor & Employee Screening

Oded Galili & Katie Engler

BCA Central Repository

- Improve service to vendors & agencies
- BCA – centralized repository and clearinghouse
- Ensure vendors and employees meet FBI CJIS Security Policy requirements
 - Network security
 - Fingerprint background check and security awareness training

Benefits

- Vetting done once every five years – vendor & employees – for all agencies served
- Vendor done first
- One fee every five years for employees - \$34.75
- Agencies verify vendor and employee clearance with BCA

Screening Process - 1

- Process – all vendors must complete
 - BCA initiates by sending company registration packet and directions
 - Company submits all required items from registration packet
 - All company data is treated as not public
 - BCA verifies compliance, completed contract, informs company

Screening Process - 2

- Employee registration packet sent to company with directions
- Company informed about employees cleared and not cleared
- Cleared employees told how to complete SAT & certification
- Employees recertify every two years – BCA will notify
- Company notified when five year renewal is due

Project Status

- Began July 2015
- Continue normal business operations
- Larger customer base & new vendors in MN first
- Large project – 100 vendors; patience please
- 23 vendors contacted
 - 2 completed, 21 in various stages of process
- Contact Information
 - BCACJISSATScreening@state.mn.us

Questions?

BCA Policy 5050

Katie Engler

Effective October 1, 2015

- Clarification of CJIS Security Policy compliance
- Software as a Service requirements
- Separate implementation of cloud computing solution for criminal justice information

Questions?

CAD Requirements for Driver's License Images

Jeff Schwiesow
Product Manager

Obtaining DL Images in CAD

- Feb 2014 – Require Purpose Code & Reason
 - DVS Access via MyBCA & Portals
 - Increase integrity of data use and provide user reference
- Require for CAD/mobile environment – last step
 - Purpose Code required
 - Reason required except for Traffic Investigation
 - Traffic Investigation will be default
- Deadline To Be Determined
 - Plan into enhancements
- BCA Can Accept Submissions Now

Questions?

Contracts Update

Maureen Janke

MNJIS Contracts Manager

Agenda

- Contracting within the State of MN
- Programs MNJIS uses most
- Things to think about to build your business
- Common problems
- Resources for digging in a little deeper

Contracting Options

- What needs to be done
- How long will the work/project last
- What is the general expected cost

Options (cont.)

- Can the work be done by:
 - Another governmental agency
 - Only one company
 - A variety of companies
- If the work is IT focused:
 - Contract will run through MN.IT Services
 - What program fits best

MN.IT Master Contract Programs

■ ASAP-IT – Accelerated Staff Augmentation Program for IT

- ☐ Program Term
 - Aug. 1, 2013 – July 31, 2018
- ☐ Eleven categories rather than eight
- ☐ Limited to one year
- ☐ ER up to \$100,000
- ☐ Or CFR required for over \$100,000

■ SITE – Seeking IT Expertise

- ☐ Program Term
 - April 16, 2014 – April 15, 2019
- ☐ Can be used for work up to \$2,000,000
- ☐ 29 categories
- ☐ Can be for more than one year if deliverables project
- ☐ Open application

Vendors Must be Registered

- Registration as a vendor can be made via the state's Supplier Portal. SWIFT
- https://supplier.swift.state.mn.us/psp/fmssupap/SUPPLIER/ERP/h/?tab=SUP_GUEST

Position Yourself

- Make certain your company is registered in SWIFT
- Small business if it applies
- Submit your affirmative action plan – verify it remains current
- Review your site categories
 - [SITE RFP](#)
 - MNIT.SITE@state.mn.us

Common Errors on Submissions

- Didn't respond to all requirements
- Did not sign all documents properly
- Failed to read the solicitation
- Affirmative Action Certification expired
- Pricing exceeded maximum allowed
- Missed the deadline

Questions for these programs?

<http://mn.gov/mnit/vendors/vendor-contact.jsp>

The screenshot shows a web browser window with the URL <http://mn.gov/mnit/vendors/vendor-contact.jsp>. The page header includes the Minnesota.gov logo and navigation links: Skip to: Search, Content, Footer. The main header features the Mnit SERVICES logo and the tagline "Information Technology For Minnesota Government". A navigation bar contains links: SERVICES, PROGRAMS, FOR VENDORS, ABOUT MN.IT, CAREERS, and GET HELP. Below the navigation bar, a breadcrumb trail shows "Home > For Vendors". A sidebar on the left lists "For Vendors" links: BUY-IT for Vendors, Becoming a Vendor, Current Vendors, FAQs, and Vendors - How to Contact Us (which is highlighted). The main content area is titled "Contact us" and contains the following text: "If you have a question, please check out our FAQs section for answers. If you cannot find the answer question - or would like to meet with staff or leadership, let us know. Fill out the form below and a member of our staff will contact you." The form includes input fields for Name, Email, Phone Number, and Organization, each followed by an asterisk. There is a text area for "How can we help?" and a dropdown menu for "Request a meeting?" with "No" selected.
